

Canopy Line Zips - Safety & Guidelines

Your Adventure is Our Responsibility

At Canopy Line Zips, we take your safety as seriously as your thrill. Our adventure experiences are built on global safety standards, carefully maintained gear, trained staff, and rider-first policies. Whether you're a first-timer or a thrill veteran, our goal is to keep you secure - from takeoff to touchdown.

Who Can Ride?

- Weight range: Minimum 15 kg - Maximum 100 kg
- Minimum age: 6 years and above (with parental consent)
- Must fit securely into the provided safety harness

Not Allowed for:

- Pregnant women
- Individuals under the influence of alcohol or drugs
- Those with recent surgeries, back, neck, bone, or joint injuries
- Guests with heart conditions, high blood pressure, or ear/balance disorders

Before You Ride - Please Remove:

- Loose jewelry
- Watches
- Phones or cameras (unless secured)
- Bags or loose footwear
- Scarves, shawls, or clothing with hanging threads

New to Ziplining? No Problem!

We welcome beginners! Our team will:

- Help you wear and adjust your harness
- Demonstrate correct posture and braking technique

- Guide you every step of the way until you take off confidently

Tower Safety Rules

- Only one person is allowed on the tower at a time, alongside the operator
- No climbing or hanging from non-designated areas
- Always wait for operator instructions before proceeding

Our Safety Standards Include:

- Certified, tested equipment checked before every ride
- Trained adventure guides at both platforms
- Strict adherence to international zipline safety procedures
- Regular tower and cable maintenance

Ride at Your Own Risk

Adventure always comes with a thrill - and a personal responsibility. While we maintain the highest safety standards, all participants ride at their own risk.

By choosing Canopy Line Zips, you acknowledge and accept the above safety terms.
